

Kindergarten Survey 2018

Lincoln Elementary School District #27 would like to determine approximately how many kindergarten students to expect for the 2018-2019 school year. Children must be five years old on or before September 1, 2018 to be eligible for kindergarten. If your child is eligible to enter kindergarten for the upcoming school year, please complete the form at www.lincoln27.org or return the form below to any District #27 school or the Administration Office at 304 Eighth Street by **March 9, 2018**. Information regarding Kindergarten Registration will be mailed to you in April.

Before entering in the fall, we will need a copy of your child's physical and immunization record, dental and eye exam, and a certified birth certificate.
